## 18 HOLE PLAY

*Any member of the Women's Golf Organization who has an 18 hole handicap based on at least five scores is eligible to enter a handicap tournament. However, 40 is the maximum she may use.*

*SPRING BEST BALL: This is a 2 man best ball tournament. Allow each player 100 per cent of her handicap, the strokes to be taken as they come on the card. Their better ball on each hole is the team score. Qualifying day will be April 6th. Maximum difference in handicap is 7.*

*CLUB CHAMPIONSHIP: Qualifying will be August 17. Match play will be held twice a week (Tuesday and Friday) with finals to be held in conjunction with the men's finals on Sunday, August 29th. Cocktails, awards, dinner and dancing to follow.*

*FALL HANDICAP: Individual handicap tournament. Qualifying will be Sept. 21.*

*PUTT-POT: All players sign up for putt-pot before playing on specified days. Count only putts on the green, pay a penny a putt to the pot. Ball awarded to the players with fewest putts.*

*O.W.G.A. TROPHY PLAY: There are 6 specified dates for this trophy competition. All 18 holers with 40 handicap or less are eligible to compete. Players turn in a dated, signed card specifically for O.W.G.A. Trophy Play on these days. The winner is determined by her four best net scores out of six plays.*

*TRANS-NATIONAL MEDAL PLAY: There are 3 specified medal plays. All 18 holers with 40 handicap or less can compete. The winner will be determined by her two best net scores.*

*WINTER NINE HOLE TOURNAMENT: Players turn in scores for the nine holes selected for Tuesday's play. The winner is determined by her four best low net scores.*

# 18 HOLE TUESDAY PLAYS

## THREE BALL BEST BALL

*With each player taking her handicap strokes as they fall, the best ball of the threesome is scored for each hole. The team with the lowest total is the winner.*

## TIN WHISTLE

*Use full handicap, taking scores as they fall. 6 points are awarded for an eagle — 4 points for a birdie — 3 points for a par and 2 points for a bogey — 1 point for a double bogey — All on a net basis. Most points accumulated determines the winner (s) in each class.*

## BEST NINE

*Upon completion of round, total your best nine — any nine holes and subtract ½ your handicap. (These holes will not necessarily be consecutive. For example: 1, 3, 9, 11, 12, etc.) Winners are those with the lowest "nets" in each class.*

## PUTTING

*Only strokes taken on the putting surface with a putter are counted. Winner is player using fewest putts within each class.*

## MATCH VS. PAR

*Using full handicap, each hole is played in match play with par as your opponent. You will either match par, go down to par or will take the hole from par. Take strokes as they fall on card. You can go down or up only one per hole; the number of net strokes over par does not mean that you are down that many. (Up+,down-, tie 0)*

## MOST PARS

*Played in classes using full handicap. Player with most net pars or better is winner.*

## THROW-OUT-THREE

*Medal Play-no handicap. Each player may throw out her 3 worst holes. Lowest gross score for the 15 holes is the winner in each class.*

## BLIND PARTNER

*After players have teed off, the committee makes pairings for partners by lot. A player does not know her partner until the round has been completed. The total of the partner's net score will determine winners.*

## FAIRWAYS

*Count putts and subtract from total score. Subtract 2/3 handicap.*

# TUESDAY PLAYS

## HIGH BALL LOW BALL

*Each player takes her handicap strokes as they fall. Count the highest score and the lowest score on each hole. The team with the lowest total is the winner.*

## HIDDEN HOLES

*After players have teed off, the chairmen draw 9 holes out of 18. The lowest score for these 9 holes less ½ of handicap is the winner for each class.*

## FLAG TOURNAMENT

*Each player is given a small flag. He sticks it in the ground with his name on it where his ball lies after he has taken the number of strokes which equal par plus his handicap. The player who carries his flag farthest around the course (going extra holes if necessary) wins.*

## BEAT THE PRO

*The Pro plays with no handicap, with the players using their full handicaps to obtain their net scores. All those who beat the Pro's score are winners; medallions awarded, not points. The Pro's foursome includes the President, Team Captain and Assistant Team Captain.*

# NINE HOLE COMMITTEE

General Chairman — Helene Zatterlow — 325-2788
Assistants — Jan Long — 325-7083 & Mary Carroll — 325-5425

*New nine hole golfers must turn in five nine hole scores to the chairman in order to establish a temporary handicap.*

*The Spring Handicap will be played June 8th to June 29th. Your 3 best nine hole scores will be used to determine the winner.*

*Putt pot will be played once a month with the proceeds to go toward nine holers party October 5th. On each putt pot day you sign up, keep track of putts, pay a penny a putt into pot. Ball will be awarded to the person with fewest putts.*

COUNTING PUTTS — *count putts on the green only.*

SWEEPSTAKES - *golf score minus handicap.*

DAYS PLAY - *and how to score them.*

ODD OR EVEN - *Pro selects either odd or even numbers, unknown to you. At end of game write it on the board under "D". Take ½ of handicap and subtract from total of the numbers the Pro selected.*

HIDDEN HOLES - *Draw 4 holes from a hat. Do not look at them. At end of game write the 4 holes on board. Take ½ of handicap from the 4 hole score.*

MIXED 2 BALL - *Team up high and low handicap players together. Both tee off. Each plays her own ball for second shot. After that, you alternate, playing the best ball (one ball is picked up). Add the handicaps of both players together. Take ¼ of that and subtract from 9-hole score.*

TURKEY - *Take 14 slips of paper with names of clubs on them and place in hat. Each player picks a slip and plays the course with that club or clubs picked. Best score wins.*

SPEKS - *One point for each of the following on each fairway: Longest drive off tee, closes to pin, first in cup, first on green. High score wins.*

*Oregon Senior Women's Golf Association - Must be at least 50 years of age. Initial fee of $10 to join; annual dues are $5.00. 9-hole handicap of 20 or less.*

## DAYS' PLAYS

### TIN WHISTLE

*Use full handicap, taking scores as they fall. 6 points are awarded for an eagle — 4 points for a birdie — 3 points for a par — 2 points for a bogey — 1 point for a double bogey. All on a net basis. Most points accumulated determines winner in each class.*

### BEST NINE

*Upon completion of round, total your best nine — any nine holes and subtract ½ your handicap. These holes will not necessarily be consecutive. For example: 1, 4, 5, 9, 14 etc. Winners are those with the lowest "nets" in each class.*

### PUTTING

*Only strokes taken on the putting surface with a putter are counted. Winner is player using fewest putts within each class.*

## MATCH VS. PAR

*Using full handicap, each hole is played in match play with par as your opponent. You will either match par, go down to par or will take the hole from par. Take strokes as they fall on card. You can go down or up only one per hole; the number of net strokes over par does not mean that you are down that many. (Up +, down —, tie 0)*

## THROW-OUT-THREE

## BLIND PARTNER

*After players have teed off, the committee makes pairings for partners by lot. A player does not know her partner until the round has been completed. The total of the partner's net score will determine winners.*

## FAIRWAYS

*Count putts and subtract from total score. Subtract 2/3 handicap.*

## HANDICAP TOURNAMENT

*Singles match play: Allow the higher-handicapped player the full difference between the handicaps of the two players. In other words, the lower handicapped player is playing from scratch, higher handicapped player plays with only the difference.*

## LOW NET FOURSOME

*Total score of four players of foursome, less total of their handicaps, determines the winning foursome in the field.*

## ODD AND EVEN

*Two players make up a team. One player takes the even holes, the other the odd holes, deciding which you will play before teeing off. Use 1/2 combined handicap for total net score.*

## SCRAMBLE

*All players tee off. Decide best drive and all hit from there. Decide best second shot; all hit 3rd shot from there and so on until ball is in hole. Count only the best shots for hole total.*

## BEAT THE PRO

*The Pro plays with no handicap, with the players using their full handicaps to obtain their net scores. All those who beat the Pro's score are winners. The Pro's foursome includes the President, Team Captain and Club Champion.*

## FLAG TOURNAMENT

*Each player is given a small flag. He sticks it in the ground with his name on it where his ball lies after he has taken the number of strokes which equal par plus his handicap. The player who carries his flag farthest around the course (going extra holes if necessary) wins.*

## THREE OR FOUR BALL BEST BALL

*With each player taking her handicap strokes as they fall, the best ball of the foursome is scored for each hole.*

## TWO BEST BALL FOURSOME

*With each player taking her handicap strokes as they fall, the two best balls of the foursome are scored for each hole. The foursome with the lowest total is winner.*

## HIDDEN HOLES

*After players have teed off, the chairman draws 9 holes out of 18. The lowest score for these 9 holes less ½ of handicap is the winner for each class.*

## BEST BALL TOURNAMENT

*Reduce the handicaps of all four players by the handicap of the low-handicapped player, who shall then play from scratch. Allow each of the three other players 100 per cent of the resulting difference. Players are paired in two-man teams, and their better ball on each hole is the team score. Match play.*

## PARTNER'S BEST BALL

*A best ball event - using full handicap, take strokes as they fall on card. The best net score of partners on each hole is used in arriving at their 18-hole total.*

### MATCH VS. BOGEY

*The same as Match vs. Par, except your opponent is bogey instead of par. (Bogey is 1 stroke over par.)*

### MOST PARS

*Played in classes using full handicap. Player with most net pars or better is winner.*

## STATE ORGANIZATIONS

*Oregon Women's Golf Association - Handicap 25 or less. Annual dues are $20.00.*

*Oregon Senior Women's Golf Association - Must be at least 50 years of age. Initial fee of $10 to join; annual dues are $5.00. 9-hole handicap of 20 or less.*

## DAYS' PLAYS

### TIN WHISTLE

*Use full handicap, taking scores as they fall. 6 points are awarded for an eagle — 4 points for a birdie — 3 points for a par — 2 points for a bogey — 1 point for a double bogey. All on a net basis. Most points accumulated determines winner in each class.*

### BEST NINE

*Upon completion of round, total your best nine — any nine holes and subtract ½ your handicap. These holes will not necessarily be consecutive. For example: 1, 4, 5, 9, 14 etc. Winners are those with the lowest "nets" in each class.*

### PUTTING

*Only strokes taken on the putting surface with a putter are counted. Winner is player using fewest putts within each class.*

## MATCH VS. PAR

*Using full handicap, each hole is played in match play with par as your opponent. You will either match par, go down to par or will take the hole from par. Take strokes as they fall on card. You can go down or up only one per hole; the number of net strokes over par does not mean that you are down that many. (Up +, down —, tie 0)*

## THROW-OUT-THREE

*Medal Play - no handicap. Each player may throw out her 3 worst holes. Lowest gross score for the 15 holes is winner in each class.*

## BLIND PARTNER

*After players have teed off, the committee makes pairings for partners by lot. A player does not know her partner until the round has been completed. The total of the partner's net score will determine winners.*

## FAIRWAYS

*Count putts and subtract from total score. Subtract 2/3 handicap.*

## HANDICAP TOURNAMENT

*Singles match play: Allow the higher-handicapped player the full difference between the handicaps of the two players. In other words, the lower handicapped player is playing from scratch, higher handicapped player plays with only the difference.*

## LOW NET FOURSOME

*Total score of four players of foursome, less total of their handicaps, determines the winning foursome in the field.*

## ODD AND EVEN

*Two players make up a team. One player takes the even holes, the other the odd holes, deciding which you will play before teeing off. Use 1/2 combined handicap for total net score.*

## SCRAMBLE

*All players tee off. Decide best drive and all hit from there. Decide best second shot; all hit 3rd shot from there and so on until ball is in hole. Count only the best shots for hole total.*

## BEAT THE PRO

*The Pro plays with no handicap, with the players using their full handicaps to obtain their net scores. All those who beat the Pro's score are winners. The Pro's foursome includes the President, Team Captain and Club Champion.*

## FLAG TOURNAMENT

*Each player is given a small flag. He sticks it in the ground with his name on it where his ball lies after he has taken the number of strokes which equal par plus his handicap. The player who carries his flag farthest around the course (going extra holes if necessary) wins.*

## THREE OR FOUR BALL BEST BALL

*With each player taking her handicap strokes as they fall, the best ball of the foursome is scored for each hole.*

## TWO BEST BALL FOURSOME

*With each player taking her handicap strokes as they fall, the two best balls of the foursome are scored for each hole. The foursome with the lowest total is winner.*

## HIDDEN HOLES

*After players have teed off, the chairman draws 9 holes out of 18. The lowest score for these 9 holes less ½ of handicap is the winner for each class.*

## BEST BALL TOURNAMENT

*Reduce the handicaps of all four players by the handicap of the low-handicapped player, who shall then play from scratch. Allow each of the three other players 100 per cent of the resulting difference. Players are paired in two-man teams, and their better ball on each hole is the team score. Match play.*

## PARTNER'S BEST BALL

*A best ball event - using full handicap, take strokes as they fall on card. The best net score of partners on each hole is used in arriving at their 18-hole total.*

## MATCH VS. BOGEY

*The same as Match vs. Par, except your opponent is bogey instead of par. (Bogey is 1 stroke over par.)*

## MOST PARS

*Played in classes using full handicap. Player with most net pars or better is winner.*

## STATE ORGANIZATIONS

*Oregon Women's Golf Association - Handicap 25 or less. Annual dues are $20.00.*

*Oregon Senior Women's Golf Association - Must be at least 50 years of age. Initial fee of $10 to join; annual dues are $5.00. 9-hole handicap of 20 or less.*

## DAYS' PLAYS

### TIN WHISTLE

*Use full handicap, taking scores as they fall. 6 points are awarded for an eagle — 4 points for a birdie — 3 points for a par — 2 points for a bogey — 1 point for a double bogey. All on a net basis. Most points accumulated determines winner in each class.*

### BEST NINE

*Upon completion of round, total your best nine — any nine holes and subtract ½ your handicap. These holes will not necessarily be consecutive. For example: 1, 4, 5, 9, 14 etc. Winners are those with the lowest "nets" in each class.*

### PUTTING

*Only strokes taken on the putting surface with a putter are counted. Winner is player using fewest putts within each class.*

## MATCH VS. PAR

*Using full handicap, each hole is played in match play with par as your opponent. You will either match par, go down to par or will take the hole from par. Take strokes as they fall on card. You can go down or up only one per hole; the number of net strokes over par does not mean that you are down that many. (Up +, down —, tie 0)*

## THROW-OUT-THREE

*Medal Play - no handicap. Each player may throw out her 3 worst holes. Lowest gross score for the 15 holes is winner in each class.*

## BLIND PARTNER

*After players have teed off, the committee makes pairings for partners by lot. A player does not know her partner until the round has been completed. The total of the partner's net score will determine winners.*

## FAIRWAYS

*Count putts and subtract from total score. Subtract 2/3 handicap.*

## HANDICAP TOURNAMENT

*Singles match play: Allow the higher-handicapped player the full difference between the handicaps of the two players. In other words, the lower handicapped player is playing from scratch, higher handicapped player plays with only the difference.*

## LOW NET FOURSOME

*Total score of four players of foursome, less total of their handicaps, determines the winning foursome in the field.*

## ODD AND EVEN

*Two players make up a team. One player takes the even holes, the other the odd holes, deciding which you will play before teeing off. Use 1/2 combined handicap for total net score.*

## SCRAMBLE

*All players tee off. Decide best drive and all hit from there. Decide best second shot; all hit 3rd shot from there and so on until ball is in hole. Count only the best shots for hole total.*

## BEAT THE PRO

*The Pro plays with no handicap, with the players using their full handicaps to obtain their net scores. All those who beat the Pro's score are winners.*

## FLAG TOURNAMENT

*Each player is given a small flag. He sticks it in the ground with his name on it where his ball lies after he has taken the number of strokes which equal par plus his handicap. The player who carries his flag farthest around the course (going extra holes if necessary) wins.*

## THREE OR FOUR BALL BEST BALL

*With each player taking her handicap strokes as they fall, the best ball of the foursome is scored for each hole.*

## TWO BEST BALL FOURSOME

*With each player taking her handicap strokes as they fall, the two best balls of the foursome are scored for each hole. The foursome with the lowest total is winner.*

## HIDDEN HOLES

*After players have teed off, the chairman draws 9 holes out of 18. The lowest score for these 9 holes less ½ of handicap is the winner for each class.*

## BEST BALL TOURNAMENT

*Reduce the handicaps of all four players by the handicap of the low-handicapped player, who shall then play from scratch. Allow each of the three other players 100 per cent of the resulting difference. Players are paired in two-man teams, and their better ball on each hole is the team score. Match play.*

## PARTNER'S BEST BALL

*A best ball event - using full handicap, take strokes as they fall on card. The best net score of partners on each hole is used in arriving at their 18-hole total.*

## MATCH VS. BOGEY

*The same as Match vs. Par, except your opponent is bogey instead of par. (Bogey is 1 stroke over par.)*

## MOST PARS

*Played in classes using full handicap. Player with most net pars or better is winner.*

2 out of 3 plays
Fall Handicap. . . . . Nancy Sturdevant
2 out of 3 plays
Putting Trophy . . . . . Nancy Sturdevant
Eclectic Trophy. . . . . Nancy Sturdevant

# 9-HOLE PLAY

*Putts - count putts on the green only*

*Sweepstakes - golf score minus handicap.*

*Take 3 over - you may take 3 mulligans. Count only the mulligan stroke, not the original.*

*Speks - One point for each of the following on each fairway: Longest drive off tee, closest to the pin, first on green, first in cup. High score wins.*

*Hidden holes - Draw 4 holes from a hat. Do not look at them. At end of game write 4 holes on board. Take ½ handicap from 4 hole score.*

*Tin Whistle - Use full handicap, taking scores as they fall. 6 points for birdie or better — 5 points for par — 4 points for bogey — 3 points for double bogey — 2 points for triple bogey — Most total points determines winners.*

*Throw out 3 - each player may throw out her 3 worst holes. Lowest gross score for 6 holes is winner.*

*Fairways - Count putts and subtract from total score. Subtract full handicap.*

*2-man best ball - both tee off. Each plays her own ball for second shot. After that, you alternate, playing the best ball (one ball is picked up). Add handicaps together. Take ¼ of that and subtract from 9-hole score.*
